Dear Mr. Engh:

The Division finds your amended Notice of Intention to Conduct Small Mining for the White Mountain complete, however, the Division must receive additional reclamation surety. The Small Mine Notice will be changed to one acre and the name of the company changed to Great American Land and Cattle Co..

Your current surety held by the BLM is for \$4,900. A letter was sent to you by the Division on January 11, 2008, escalating your surety to \$5,900, you were given 90 days to complete this requirement. You may submit this additional surety to the Division or BLM.

Thank you for your cooperation to help finalize this permitting action. In reply, please refer to file number S/001/052.

Sincerely,
